Notes for Emil R. Tuma Sr:

Emil Tuma moved his family to a plantation in Louisiana. Once in a while the northern relatives would travel to his plantation for a summer vacation. The children of Edward M. Anderson and Marie Anna Biskup (this author's grandparents), Mary, Georgia, and Edward, Jr. would pick cotton on the plantation. His decendants live in that area to this day (2005). It is said that his sister, Georgia (Jirinia) would scold him because he maintained contact with the Communist Party in Czechoslovakia. She knew of him receiving a Communist Newspaper frequently, which he read diligently, and didn't like the idea of him maintaining "contact" with that party when they had moved to America to be free of the Communistic rules.

Notes for Marie Anna Biskup:
Known to friends and family as "Mary".

This author (Denver J. Weigel) is one of her grandsons and I'd like to share some of my thoughts of Grandma Anderson...

Every kid needed a grandma like ours. She always had good baked goods at the house. And was very happy to share them with us.

She was a hard worker, and at less than 5 feet tall was a dynamo. She could work other people under the rug!

She and grandpap cared for both of their mothers in their respective last years. Great-grandma Anderson first, and then great-grandma Biskup.

Grandma Anderson, I believe, obtained her baking expertise from her mother, great-grandma Biskup.

Grandma would do anything for you and had a heart of gold. In her later years, she traveled to Florida to be with Georgie and Rick (her daughter and son-in-law) during the winters and lived near Edward and Mae (her son and daughter-in-law) in the summer in a small mobile home. If you visited Grandma during the day, she ALWAYS had a pot of coffee brewing and either cookies or candy for her sweet-tooth.

She loved life and her family and never forgot to send you a birthday card with a dollar or a quarter in it. Something to let you know she loved you and had thought about you on your special day. And on Christmas, you could count on getting a new set of handkerchiefs.

Interment will be in Union Cemetery, Monaca.

Notes for Edward McCullough Anderson Sr.:

When Edward Anderson was 12 years old, he was selected to carry the payroll on the train from Pittsburgh to the J&L (Jones & Laughlin) plant in Aliquippa.

This author (Denver J. Weigel) is a grandson of this individual. Some of the memories of my grandfather are noted below...

He was a craftsman. Toward the end of his life he was a skilled cabinet maker and made kitchen cabinets for my Mother and one of my Aunts during my growing up years of the 50's.

He was an inventor. We have the components of a device he invented as a communication device to the "ice man". In those early years (no electric refrigerators, but "Ice Boxes") it was necessary to let the ice man know if you wanted ice delivered as he drove through the streets. Grandpap's invention was an aluminum spring clip attached to a small, clear rubber, suction cup that was about 1-1/2" in diameter. On delivery day, you would attach the clip to the window of your home with the suction cup and then hang a diamond shaped aluminum sign (about 12" square) on the clip. One side of the square sign was painted "ICE" and the other side was painted "NO ICE". The sign was large enough so that as the driver traveled down the street he could see whether a customer needed ice that day without getting out of his horse drawn wagon (or later a truck) and go to the door. The clip that we have has the words "Pat. Pending" stamped on the aluminum. We don't believe Grandpap ever actually received a patent for this item.

He made his son Edward, and many of his grandchildren, electric train layouts. They were very elaborate with ponds with running water, a mountain with skiers traveling down the mountain, a water wheel that was fed by pumping the water from the pond, and many other items. He made replicas of the old J&L Steel yard buildings out of cardboard boxes and painted them black. We thought they looked like the real thing. He also built "blimps", to remind us of the Hindenberg, complete with flashing red tail light and hand carved engines on the sides.

In his later years, after we moved to the farm (1950), he and grandma would come out to visit most Sundays and we always talked about him and our Uncle Bob Potter because they both wore WHITE shirts, TIES, and HATS. It was just what men of that time did on a Sunday. It's the way they dressed.

As a grandfather, it seemed to us that he knew EVERYTHING. They were the first in the family to have a television and we would visit them on the weekend in the late 1940's (before we moved to the farm) and watch the Ed Sullivan show on their TV. It was quite an event.

He worked for numerous businesses in Monaca, PA including the Phoenix Glass plant, and the "Sanitarium".

Edward McCullough Anderson Sr. and Marie Anna Biskup had the following children:

1.4.2.1. MARY ALICE⁴ ANDERSON (daughter of Edward McCullough Anderson Sr. and Marie Anna Biskup) was born on Apr 05, 1917 in Monaca, Beaver, Pennsylvania, USA. She died on Oct 02, 2015 in Elmcroft Senior Living Center, 104 Papan Business Drive, Beaver Falls, PA 15010 (Senior Living Facility). She married (1) GEORGE SHROADS WEIGEL (son of Henry B. Weigel and Anna Armida Baker) on Nov 25, 1936 in Monaca, PA. He was born on Sep 17, 1912 in Monaca, PA. He died on Feb 16, 1985 in New Sewickley Township, Zelienople, PA. She married (2) STANLEY CLARK BROBECK (son of Martin John Myers Brobeck and Katherine Schieffer) on Jul 17, 1990 in Aliquippa, Beaver, Pennsylvania, USA. He was born on Aug 05, 1915 in Hooker, Butler County, PA. He died on May 04, 2002 in Aliquippa, Beaver, Pennsylvania, USA.

1.4.2.2. GEORGIA ELIZABETH ANDERSON (daughter of Edward McCullough Anderson Sr. and Marie Anna Biskup) was born on Jun 04, 1919 in Monaca, Beaver Co., PA (1329 Washington Ave, Monaca, PA). She died on Jan 05, 2001 in Monaca, Beaver County, PA. She married Richard Merle Grogg (son of Guy Hoover Grogg and Ruth Helen McCauly) on Feb 26, 1941 in Cumberland, WV. He was born on May 05, 1920 in Beaver Falls, PA. He died on Nov 30, 1981 in Sarasota, Florida, USA.

Notes for Georgia Elizabeth Anderson:

Georgie's funeral services were held at the Batchelor Brothers Funeral Home in Monaca, Pennsylvania Services were conducted by Reverend Marvin Barney at 10:00 a.m. on Monday, January 8, 2001.

Georgie had moved from Florida, back to Beaver County in 1998 and Edward purchased the home Ed Anderson, Sr. had built for himself and wife Mary. It was a cement block home sitting on a piece of ground up the hill from and located between the original home of Ed and Mary Anderson and Edward and Ada Mae Anderson. This home was rented by Georgie and she was extremely happy during these last years of her life. She wanted to be around family and she was..... It seems that Georgie never really got over her husband Rick's death and in her final years found that close to "family", rather than "friends", was where she wanted to be.

The thing I remember most was that Georgie, at age 81, was the baby sitter for her great-grand niece, Brooke Tomasko, Renea and Glenn's daughter. Renea is the daughter of Sandra Mae Anderson, daughter of Edward and Ada Mae Anderson, and niece to Georgie. Georgie loved her time with Brooke and Brooke loved going to Aunt Georgie's home. Two days prior to her death, Georgie was "sled riding" down the hill to Ed and Mae's house with Brooke..... and pulling the sled back up so they could do it again. Georgie couldn't have been happier than when she was with family during these last days.

Friends will be received Friday from 1 to 3 and 5 to 7 P.M. at the Christian Assembly, 6241 Tuscarawas Road, Industry (Ohioville), where a service will be held at 7 P.M. immediately following the visitation. His pastor, William Anzevino, will officiate.
